

# GARAGE FLOOR MATS

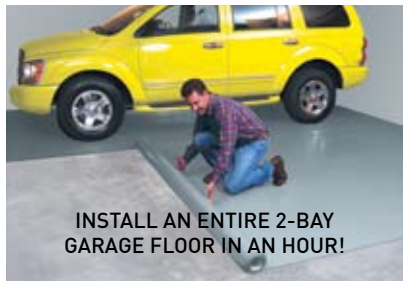

## Roll-out Mats Protect Floors and Enhance Garages Instantly

- AutoDeck Floor Mats - our most economical garage flooring option.
- Create a clean and finished look to your garage quickly, easily and economically.
- Cover an entire garage wall-to-wall or use one individual roll for each car to create a protective parking pad.
- Specially-formulated PVC non-porous surface protects floor underneath against oil, antifreeze, salt and common contaminants found in garage and shop floors.
- Prevents deterioration and damage to concrete floor. Hides cracks and stains in older floors.
- Prevents concrete, soil and water contamination. Plus, floor mats also provide a vapor and moisture barrier.
- Provides thermal insulation and noise reduction.
- Provides a cushioned, anti-fatigue surface - ideal for workshops, shop floors and laundry areas.
- Simple to clean, move and maintain. Cleans up with mild detergent.
- Installation is super-simple! Overlap or butt together (tape down of edges is optional) for seamless protection and look. Easy to trim around poles and corners for a professional-looking custom fit.
- Made of specially-formulated 100% high-quality polyvinyl material. Other mats do not use 100% PVC and instead use fillers and does not offer the same level of protection or durability.
- Choose from 3 different floor patterns and several colors, roll sizes and thicknesses.
- Made in the USA. 3-year warranty.
